## INSTRUCTIONS

Go to: <http://www.fkss.ca/NetMarks/index.html>

Click on the Login to Netmarks link.

Enter the username and password that were provided to you by your child's advisor.

A tab will open for your first child's profile with some basic demographic information.

1. Click on the "Marks" title to see that child's current progress report.
2. If you have another child in the school, click on the Tab with their name on it and follow the same instructions.
3. Click on "Exit" to logout once you are ready to leave.

## Changing Your Password

1. Click on "Utilities" – Enter your New Password, then type it once more in the Confirm Password field.
2. Click on the Green Checkmark  to save your new password.
