Executive report:

**President** – CJ Kubica

Still trying to get in touch with Dr. Kelsey's

Personally a bit disappointed by the Round Table discussion at Bonner on November 5<sup>th</sup> being taken over by the French Immersion parents

Uncomfortable by the meeting being taken over by the French Immersion parents

Not necessarily portrayed the feeling of all the south end parents

Not a lot of other parents there about 45 against 80 French Immersion parents

Some of the parents were quite rude and Brian Simmons had a hard time keeping the meeting on track

Central zone meeting focused more on Middle School issues

Round table idea was a good idea but peoples own issues ended up skewing the issues

Funding changes within the province for high school students being funded per course as opposed to per student for students listed as part time. Approximately 30 Kelsey students fall into this category

**Vice-Chair** – Sharleen Impett

Trustee's in Courtenay being threatened for wanting to change Middle School configuration. We need to keep communication open with our Trustee's

**DPAC** – Susan Stacey

Presentation from Duncan Brown, CAPE

Rural school conference

Reduction in funding for secondary school

Parent Education event can be sponsored by the DPAC as long as it is opened up to the community

[www.bullybeware](http://www.bullybeware) idea for workshop

Susan will take the idea back to DPAC that we piggy back onto a guest speaker invited by the Pro D committee and invite the guest speaker to put on a further workshop for parents and others, she will follow up on that idea with the DPAC and report back to us DPAC is going to suggest that perhaps trustees and senior staff numbers at District level also be reduced because of declining enrolment in our district

Brian Simmons and Julie Thomas are our trustees can we invite them and our new superintendent

If we want to forward any BCCPAC resolutions they need to be forwarded by mid January. They must affect all students within the province.

**Treasurer** – Patti Carfantan

2187.85 is full amount of Welcome Back to School Lunch
