WORK EXPERIENCE & JOB OPPORTUNITIES

Volunteer · Experience group life · Explore Canada

Katimavik

Get out there for a change!

New information for 2008 now in the Career Centre.
Katimavik is Canada's leading national youth volunteer-service program. For nine months, young people ages 17 to 21 live in groups of 11, in three different communities throughout the country. They work 35 hours a week on volunteer community projects in addition to participating in structured learning activities. Katimavik fosters participants' personal development through community involvement, training and group life.
